

Faurecia, the reference partner of the world's major automakers

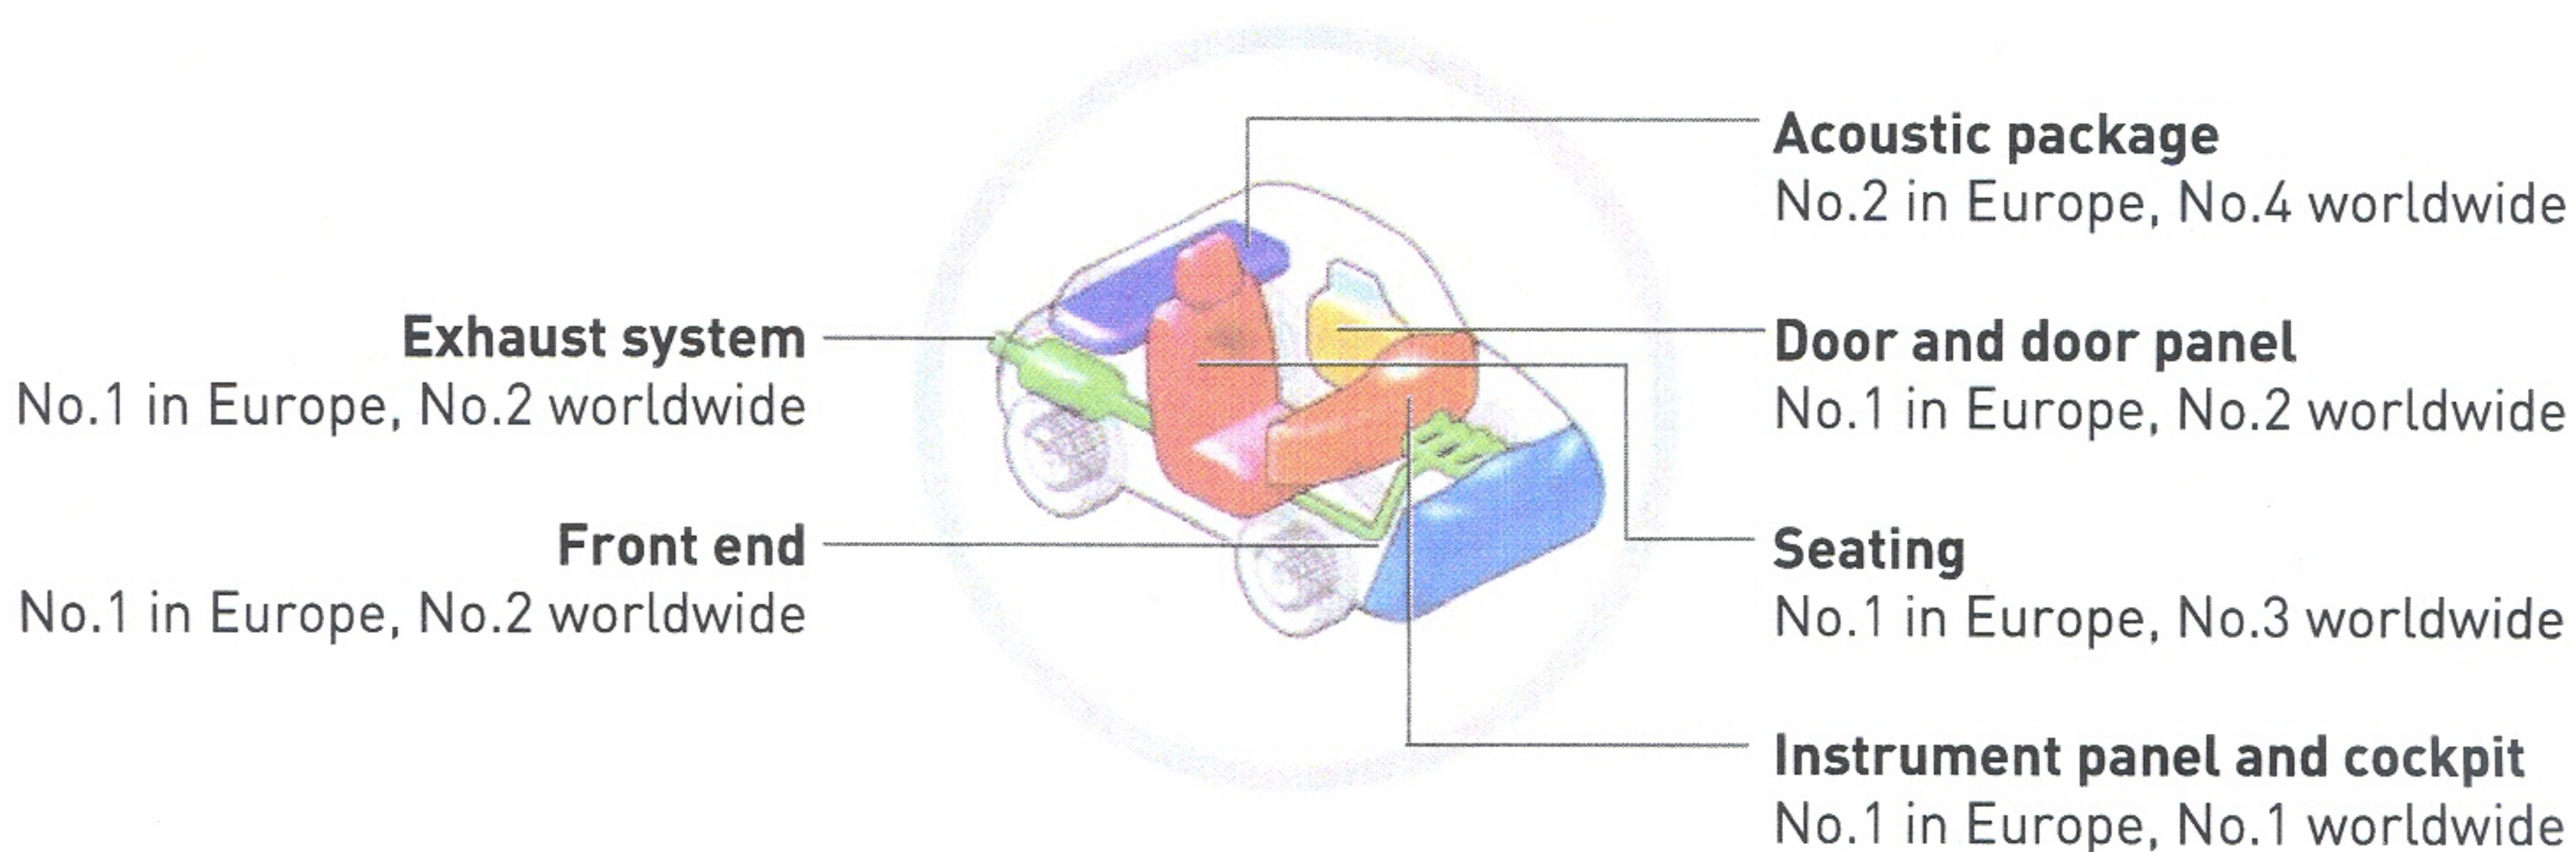

With **60,000 employees** at **160 sites**, half of which operate in **just-in-time mode**, in **28 countries**, and with **annual sales of 10.7 billion euros**, Faurecia ranks as one of the leading names in the automotive sector. It is the **second-ranking automotive supplier in Europe** and the **ninth worldwide** in terms of sales to automakers.

Faurecia designs, develops and manufactures **six major vehicle modules** that represent up to 2,600 euros, that is, from **15% to 25% of the total production cost of a vehicle**. These include: seats, cockpits, doors, acoustic trim, front ends and exhaust systems.

Faurecia is one of the leading specialists for each of its modules:

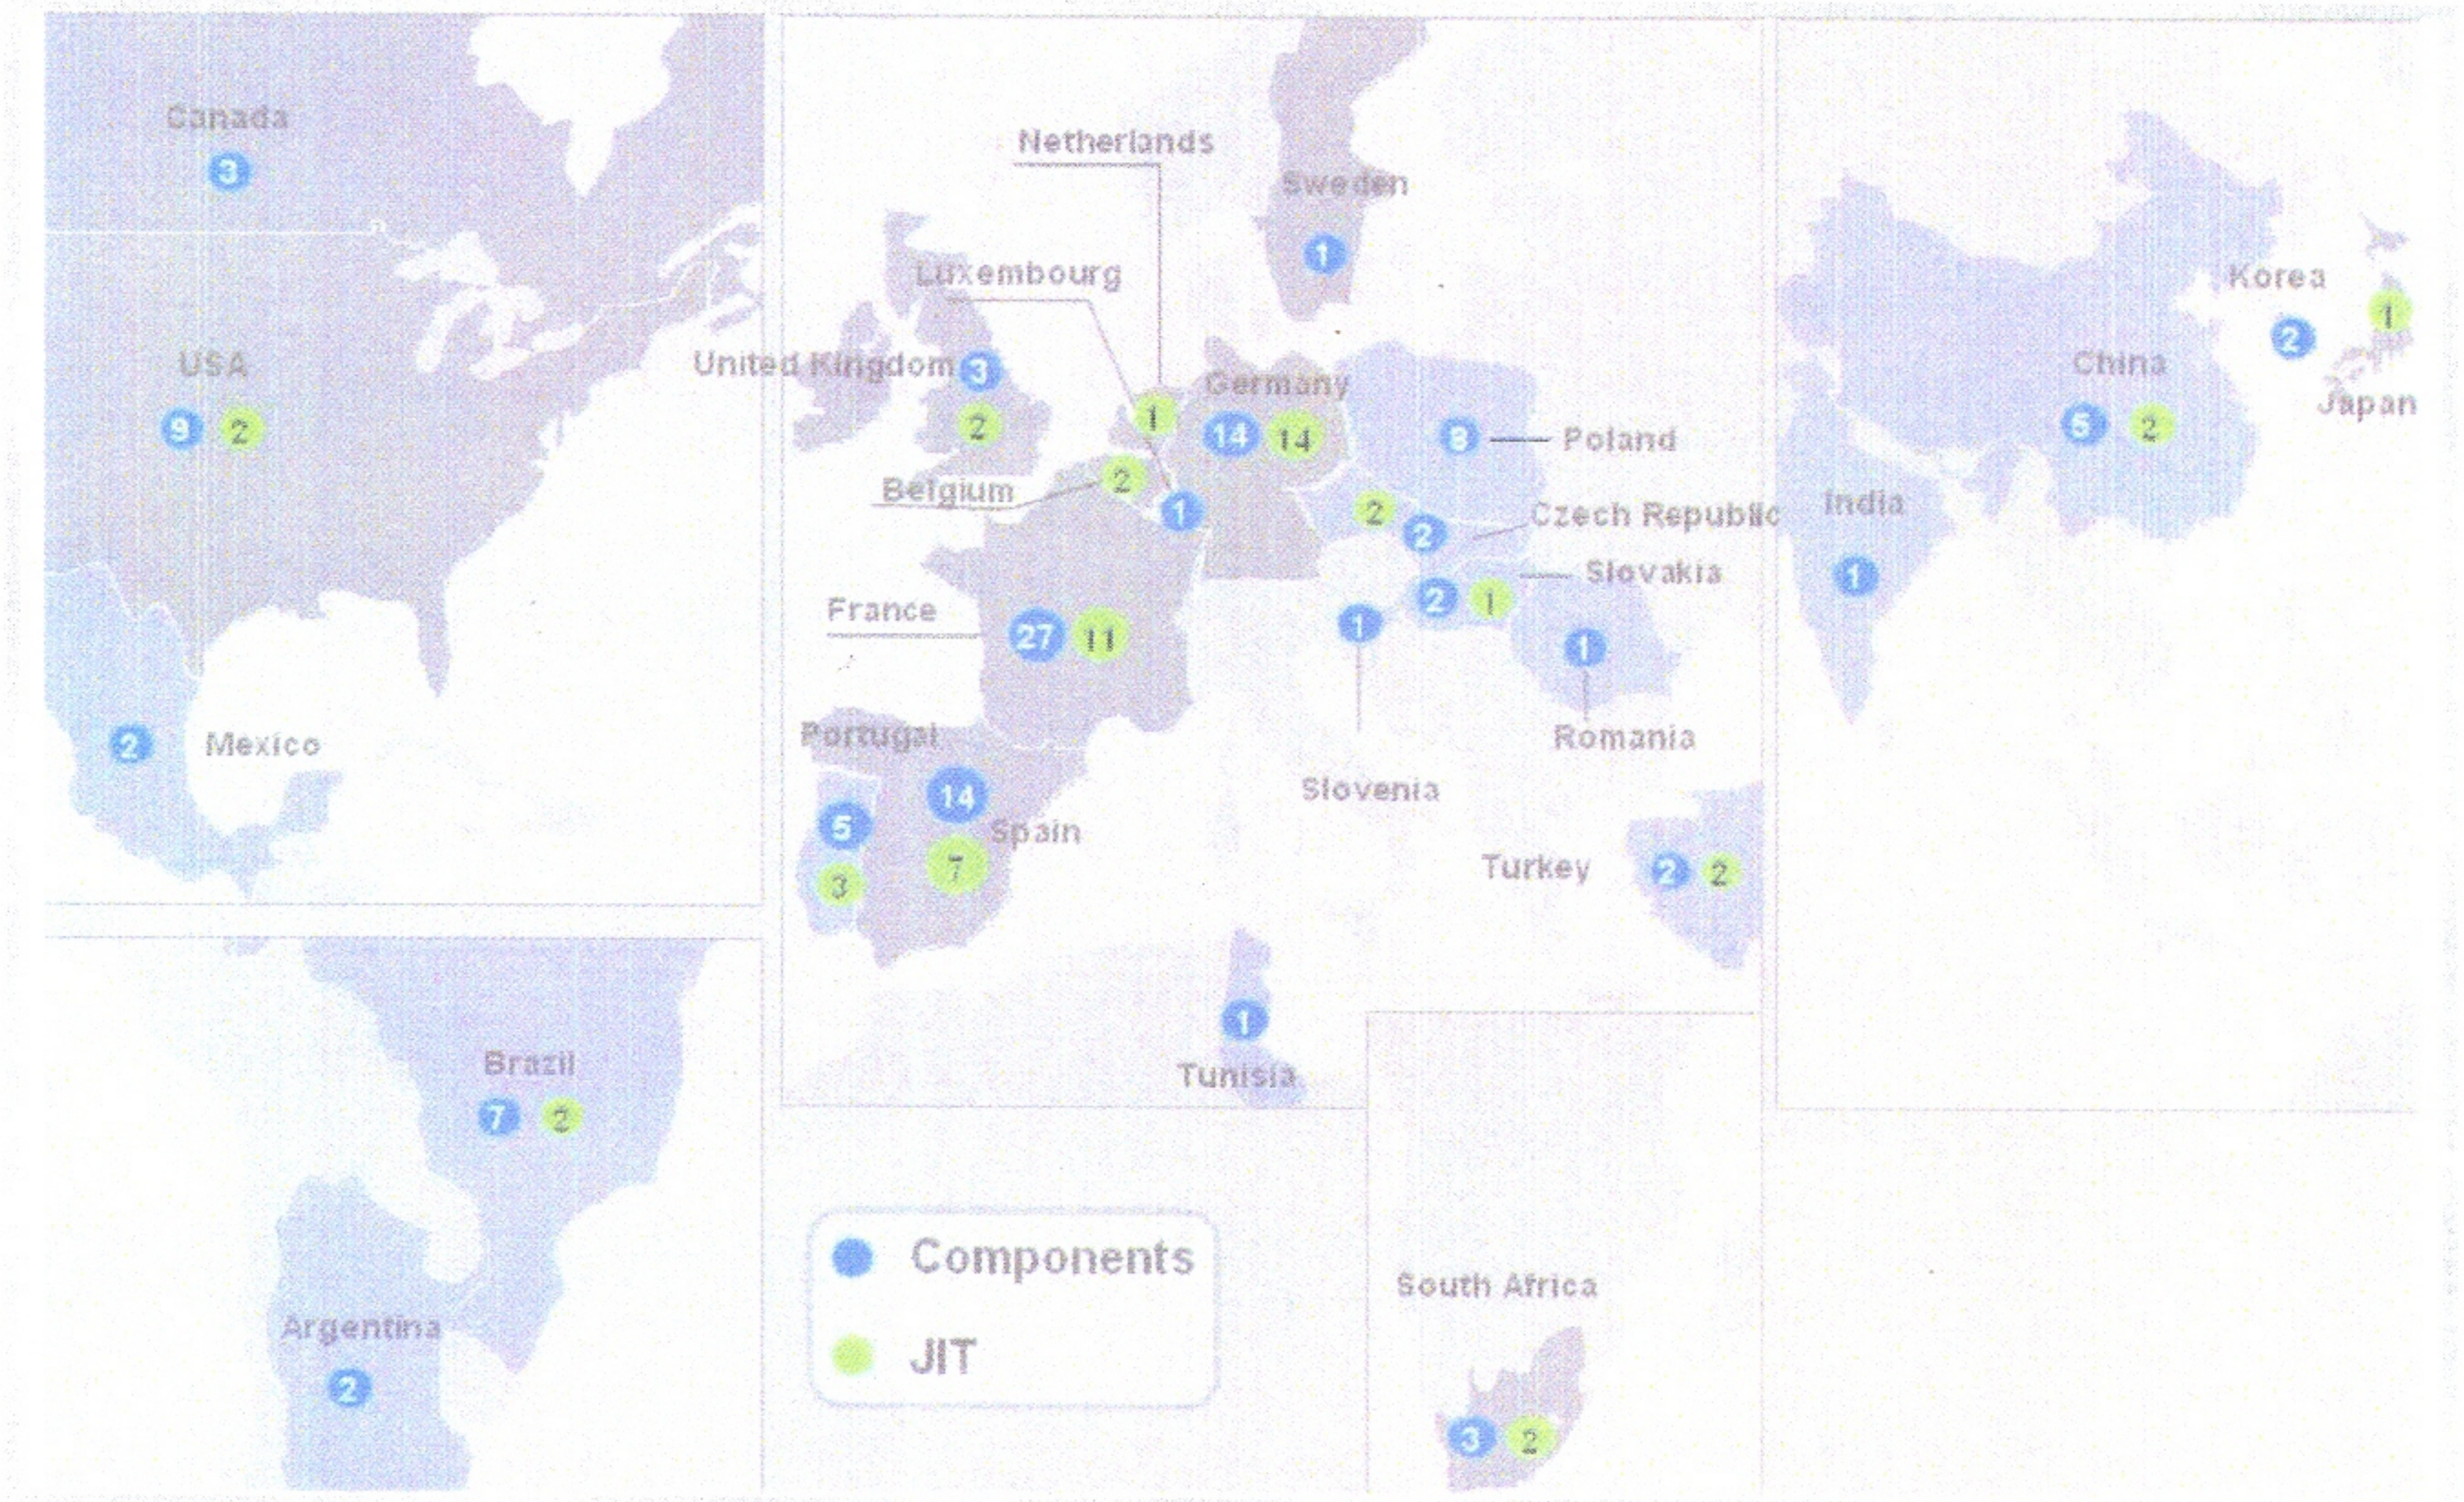

Other modules
22.7% of 2004 sales

Interior vehicle modules
77.3% of 2004 sales

4. Faurecia, a great name in the automotive industry

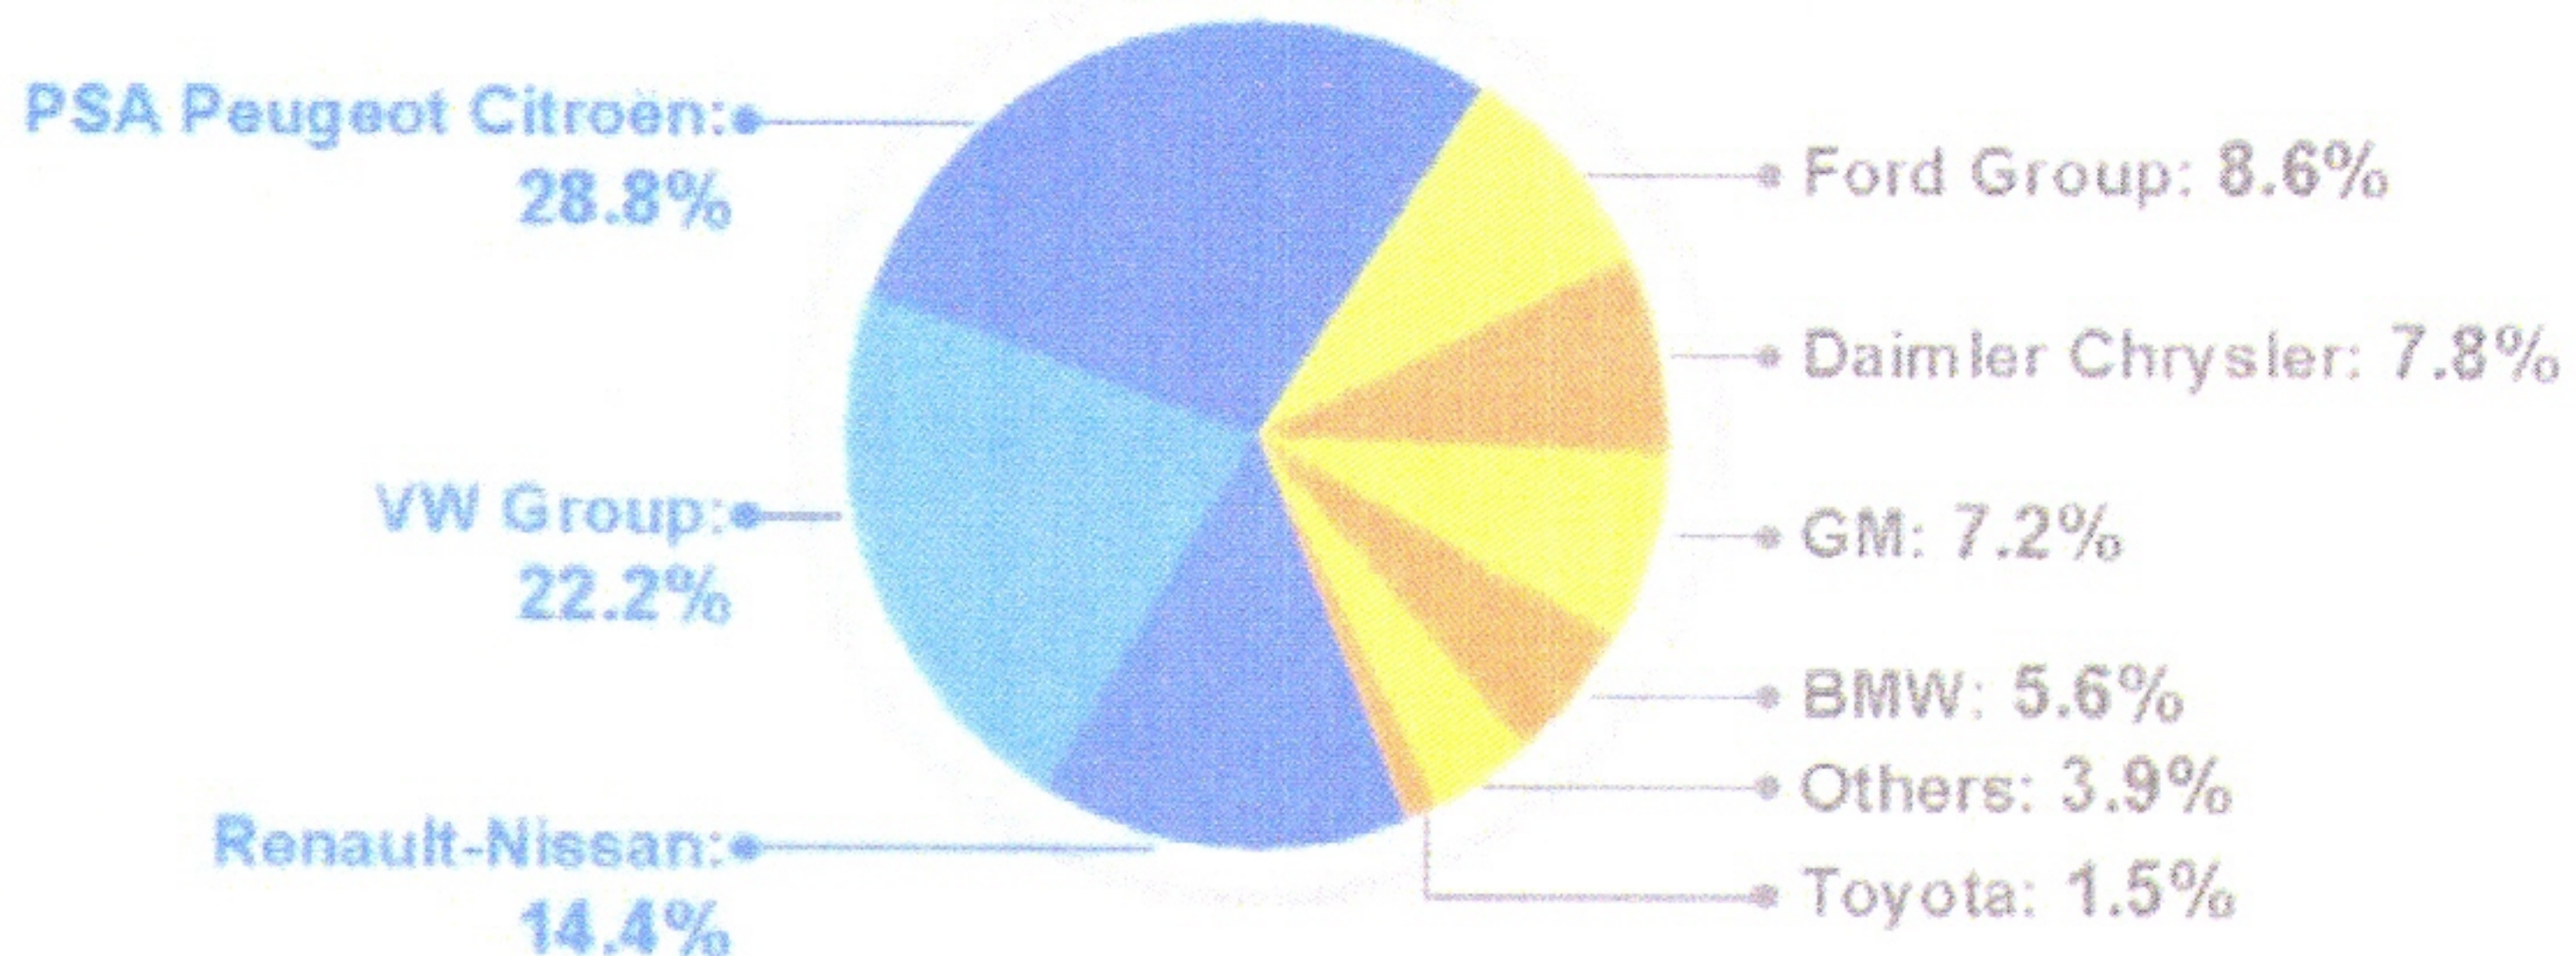

Leader in Europe, Faurecia generates 85% of its sales in this zone. The Group is growing in **North America** and **Asia** where it reported 2004 sales of 1,030 million euros and 310 million euros respectively.

Faurecia production sites around the world

Faurecia delivers products to all the world's leading automakers. Its stated goal is to become a **privileged partner** for these groups in each of its six modules.

The **breakdown by customer of its 2004 sales** is as follows:
